

## Allowed Reference Material

### Required References

- CPT® (AMA standard or professional edition ONLY)
- Your choice of ICD-9-CM (expert additions are allowed)
- Your choice of HCPCS Level II (expert additions are allowed)

Note: Any officially published corrections or errata belonging to these three references are also permitted. The AAPC uses only the current calendar year codes on all exams. Second attempt exams occurring in the next calendar year will not be permitted to take the previous year's exam.
